REMARKS

The foregoing amendment to allowed claim 3 is submitted to be timely filed in as much as the need for same was not appreciated until reviewing the allowed claims in a Notice of Allowability, mailed March 17, 2006, and hence could not have been earlier presented. No new matter is presented in the amendment. It appears that, in the originally filed application, a period was inadvertently omitted at the end of claim 3, and was not corrected during prosecution. Enclosed herewith is amended claim 3, wherein the period is inserted at the end.

Accordingly, approval and entry of the Rule 312 Amendment are submitted to be proper and the same are earnestly solicited.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
